Wanshsin and ATB Automation

Wanshsin Seikou with headquarter in Changsha City (Hunan) is a large group integrating R&D, production and sales of precision reducers. Since 2014 Wanshsin Seikou is located in Changsha City and constructed a high-standard modern industrial park. It covers an area of 70.000 square meters with a total investment of 40 million Euro.

Since 2017 ATB Automation is the distributor for the precision gearboxes and responsible for customers in the Benelux. ATB Automation offers their customers quick deliveries and advices in the selection of the gearboxes. ATB Automation can also deliver the Wanshsin products in a complete solution of servo systems with several brands of servo motors, drives and linear systems.
